

OTOLARYNGOLOGY (EAR, NOSE & THROAT)

PHILOSOPHY

Our pediatric otolaryngologists provide comprehensive care for children of all ages — from newborns to teens — with conditions of the ears, nose, throat (ENT) and related areas of the head and neck.

WHAT WE EVALUATE

- Airway and breathing disorders
- Cleft lip and palate
- Gastroesophageal reflux (GERD)
- Congenital and acquired hearing loss
- Head and neck masses
- Ear infections and other ear disorders
- Obstructive sleep apnea and complex sleep disorders
- Speech disorder and management of velopharyngeal insufficiency
- Swallowing disorders
- Throat infections and disorders
- Vascular lesions
- Vocal Nodules

PROGRAMS AND SERVICES

- Aerodigestive Disorders Program
- Chronic ear surgery including tympanoplasty and cholesteatoma management
- Cleft and Craniofacial Program
- Cochlear Implant Program
- Complex open and endoscopic airway reconstruction
- Image-guided sinus surgery, including balloon sinuplasty
- In-office audiology for hearing evaluation
- In-office laryngoscopy and stroboscopy for airway and voice evaluation
- Placement of ear tubes
- Reconstruction of cleft lip and palate
- Resection of congenital head and neck masses
- Surgical treatment of velopharyngeal insufficiency
- Tonsillectomy and adenoidectomy
- Vascular Anomalies Center
- Surgical implantation of hypoglossal nerve stimulator for intractable sleep apnea
- Thyroid tumors in children
- Management of pediatric voice disorders

TELEHEALTH SERVICES

During these challenging times, CHOC is offering parents peace of mind when it comes to caring for their children's health and well-being. Kids still need check-ups and access to specialty care. That's why we've kept our offices open with additional safety measures in place and why we are offering telehealth appointments when appropriate, giving your patients access to our experts from the convenience of their home.

SPECIALTY CARE PHYSICIAN CONCIERGE SERVICE

Our physician concierge service expedites communication between healthcare professionals and CHOC specialists. To connect with a physician concierge representative, please call 714-509-4013.

ONLINE REFERRAL PORTAL

Referrals can now be placed online through the CHOC referral portal, eceptionist™:

- Submit your referral electronically
- Review your referrals and know your patients have a confirmed appointment time
- Contact your CHOC Referral Coordinator from a single portal

To sign up, go to choc.org/referrals.
