

Child Life Practicum Application

Thank you for your interest in the practicum program at CHOC Children's Hospital. Please read the Child Life Practicum Program Information Document located on our website prior to filling out the application portion.

In order to be considered as a candidate all listed requirements must be emailed in **one email** to practicum@choc.org:

- Completed attached application (typed)
- Typed responses to questions
- Resume that contains a list of the total number of hours completed for each relevant work/volunteer experience
- Letter of recommendation emailed directly to practicum@choc.org from a professional source who can speak to your ability to working with children (this can either be added to your email or be sent directly from the source)

Prior to sending in **one email** please include:

- Completed application
- Completed Questions
- Resume

Please type your answers to the questions in the space given below. Please do not exceed one page for all questions.

1. Why are you a good fit for the child life profession?

2. Why are you choosing to apply to the child life practicum at CHOC Children's?

3. List 3 professional development goals you hope to accomplish as part of your practicum experience at CHOC Children's.

4. What materials and activities would you choose for play with a typically developing three year old child? Describe how your choices support normative development.

5. What are your top 3 qualities that you will bring to the practicum program?
