

Dear Vendor,

To conduct onsite business with CHOC, all vendor representatives must have previously completed registration and paid the nominal annual fee to Green Security via <https://grn.ac/choc-vendors>. In addition, each company representative must be registered individually to maintain their personal and professional credentials.

If you are currently enrolled in Green Security, associated with CHOC Hospital and have an appointment on campus (**NO UNSCHEDULED VISITS ARE PERMITTED**):

- ❖ Sign in electronically
- ❖ Print adhesive badge and apply where it can be seen at eye level. No non-CHOC issued hard badges can be displayed.
- ❖ At the conclusion of your scheduled business, please sign out electronically and exit campus promptly.

ATTIRE: All representatives must wear business attire. **NO PERSONAL OR NON-CHOC ISSUED SCRUBS**, at any time, ever. If surgical attire is required during your visit, it shall be provided to you by the appropriate department.

We value our relationship with you and appreciate your participation in this program. For business/technical issues, visit support@gogreensecurity.com or (866)750-3373.
