LATEST TECHNOLOGICAL ADVANCEMENTS: EOSEDGE 2D/3D IMAGING SYSTEM

At CHOC, we believe in providing our patients with the best care and services, which is why we're proud to offer the EOSedge system at our main hospital location in Orange. CHOC is one of the only pediatric facilities in Southern

California to have the latest version of the EOSedge system. EOSedge is a state-of-the-art, low dose 2D/3D X-ray imaging system used for the management of orthopedic conditions.

MULTIDISCIPLINARY APPROACH

Our clinical and support staff are specially trained to care for children from infants to adolescents. The team includes award-winning orthopaedic surgeons, physical and occupational therapists, neurosurgeons and neurologists, rheumatologists, pulmonologists, cardiologists, oncologists, nurse practitioners, medical assistants, case managers and orthopaedic technicians. CHOC's experienced multidisciplinary team is fully equipped to provide care for children with a wide range of orthopedic conditions and guide patients and their families through every stage of treatment and healing.

ORTHOPAEDIC INSTITUTE

CENTER OF EXCELLENCE

CHOC is consistently named one of the nation's best children's hospitals and CHOC Orthopaedic Institute is ranked in the top pediatric orthopaedic programs in the country by U.S. News & World Report and Becker's Healthcare. CHOC has also earned Magnet designation and awards including; the Leapfrog Top Hospital Award for Outstanding Quality and Safety, Gold Level CAPE (California Awards for Performance Excellence) Award, Pediatric Beacon Award for Critical Care Excellence, Extracorporeal Life Support Organization Center of Excellence, Emergency Nurses Association Lantern Award and Apex Recognition Award for Respiratory Care.

TELEHEALTH SERVICES

CHOC offers multiple types of convenient services for our patients. In addition to in-person visits, patients can have telehealth visits with our providers when appropriate, allowing more flexibility and access to care.

SPECIALTY CARE PHYSICIAN CONCIERGE SERVICE

Our physician concierge service expedites communication between healthcare professionals and CHOC specialists. To connect with a physician concierge representative, please call 714-509-4013.

ONLINE REFERRAL PORTAL

Referrals can now be placed online through the CHOC referral portal, eceptionist™:

- Submit your referral electronically
- Review your referrals and know your patients have a confirmed appointment time
- Contact your CHOC Referral Coordinator from a single portal

To sign up, go to choc.org/referrals.

VOALTE®

Physicians are available via Voalte®, a secure HIPAA-compliant secure text messaging app, available on PC and smartphone devices. For more information, please contact CHOC Business Development: BDinfo@choc.org.
